Mrs. D. Patterson

Dear Mother
I will drop you a few
lines to let you hear
from me I am well
and hope you all the
same

it is requested of all the
soldiers that they
rite a letter to their
Mothers as to day was
set aside for Mothers
day and all the
soldiers are supposed
to rite to their
mothers
and I think if there

any one that should
be remembered by
setting aside a holiday
or a memorial day
it should be to the
Matters of all Nations
we have arrived back
to Camp from the
rifle range after 2
weeks Practice shooting
we engaged it fine
I thought I would
get to be at home
to day but being
on the range
I couldnt get off
so I will try again

(3)

to get a week and
pass

it sure is getting to
be warm weather over
here now

there was several bags
in the regiment fell out
coming from the
range Saturday
and it is only 7 miles
out there

we are looking for
several thousand
drifted men in a
few days

over

as I have to run
I will close and
write again

With Love
Albert

P.S. I am sending
a paper clipping of
the Matthews Regt
battalion
