

WITH THE 25TH INFANTRY DIV. IN KOREA—Army PFC Joel A. Howard Jr., son of Mrs. H. C. Fludd, Blountstown, is now undergoing post-truce training with the 25th Infantry Division in Korea.

Howard, an aidman in Medical Company of the 27th Regiment, has been in Korea since April. His grandparents, Mr. and Mrs. Joe Davis, live in Blountstown.

Veteran of more months of combat than any other American division in Korea, the 25th landed on the peninsula in July 1950, shortly after the Communists crossed the 38th parallel. Since that time it has never left the combat zone.
